

Current Review College Members

Lucy Alford, University of Glasgow

Katherine Allen, University of Liverpool

Isabel Alonso, Natural England

Jose Alves, University of Aveiro

Eric Isai Ameca y Juarez, University of Veracruz

André Antunes, Edge Hill University

Rachael Antwis, University of Salford

Paul Aplin, Edge Hill University

Harold Balbach, US Army Engineer Research and Development Laboratory

Cristina Banks-Leite, Imperial College London

Craig Barnett, Kyoto University

Isabel C Barrio, University of Iceland

Yahkat Barshep, A. P. Leventis Ornithological Research Institute

Robert Baxter, University of Durham

Alice Baynes, Brunel University London

Celine Bellard, University College of London

James Bennett, Coventry University

Alison Bennett, James Hutton Institute

Taurai Bere, Chinhoyi University of Technology

Jon Bielby, Institute of Zoology

Philipp Boersch-Supan, University of South Florida

Katrin Bohn, University of Portsmouth

Giuseppe Bonanno, University of Catania

Sam Bonnett, University of the West of England

Luca Borger, Swansea University

Elizabeth Bourne, Leibniz-Institute of Freshwater Ecology & Inland Fisheries

Liliana Bravo-Monroy, University of Reading Alumni

Robert Britton, Bournemouth University

Rob Brooker, The James Hutton Institute

Kerry Brown, Kingston University London

James Bull, Swansea University

Heidi Burdett, University of St. Andrews

Giulia Cambie, Bangor University

Anthony Caravaggi

Nicholas Carey, Stanford University

Carlos Carmona, University of South Bohemia

Angela Carpenter, University of Leeds

Anna Carter, Victoria University of Wellington

Sam Cartwright, Zoological Society of London

Bryony Caswell, Griffith University

Alienor Chauvenet, University of Queensland

Kwek Yan Chong, National University of Singapore

Ross Coleman, University of Sydney

Erminia Conti, University of Catania

Ricardo Correia, Federal University of Alagoas

Blair Costelloe

Karl Cottenie, University of Guelph

Rob Cruickshank, Lincoln University

Martin Cryer, Ministry for Primary Industries

Ross Culloch, University College Cork

Maxime Dahirel, Ghent University

Sarah Dalrymple, Liverpool John Moores University

Althea Davies, University of St Andrews

Selvino de Kort, Manchester Metropolitan University

Franciska de Vries, University of Manchester

Moreno Di Marco, The University of Queensland

Jessica Dittmer, Harvard University

David Douglas, RSPB

Johan du Toit, Utah State University

Jenny Dunn, RSPB Centre for Conservation Science

Christophe Eizaguirre, Queen Mary University of London

Thomas Etherington, Royal Botanic Gardens, Kew

Karl Evans, University of Sheffield

Aisyah Faruk, Royal Botanic Gardens, Kew

Katie Field, University of Leeds

Kristian Forbes, University of Helsinki

Dan Forman, Swansea University

Aldina Franco, University of East Anglia

Ville-Petri Friman, University of York

Crystal Frost, University of Liverpool

Ellen Fry, University of Manchester

Elisa Fuentes-Montemayor, University of Stirling

Lauren Fuller, University of Stirling

Cristina Garcia, CIBIO/InBIO

Matthew Geary, University of Chester

Michael Gerth, University of Liverpool

Carola Gómez-Rodríguez, Universidade de Santiago de Compostela

Konstantin Gongalsky, Russian Academy of Sciences

Manuela Gonzalez Suarez, University of Reading

Laura Graham, Stony Brook University

Robyn Grant, Manchester Metropolitan University

Sarah Greenwood, University of Stirling

Lewis Halsey, University of Roehampton

Mark Harrison, Borneo Nature Foundation

Lara Harrup, The Pirbright Institute

Joseph Hawes, Anglia Ruskin University

Dominic Henri, University of Hull

Salvador Herrando-Pérez, Spanish Research Council

Mark Hodson, University of York

Grant Hopcraft, University of Glasgow

Emily Hornett, University of Cambridge

Catharine Horswill, British Trust for Ornithology

Katrine Hoset, University of Turku

Leigh Howarth, Bangor University

William Hunter, Queen's University of Belfast

Thomas Ings Anglia, Ruskin University

Michelle Jackson, University of Pretoria

Susan Jarvis, Centre for Ecology and Hydrology

Affum Jerry- Offei, Pals of the Earth

Owen Jones, University of Southern Denmark

Hefin Jones, Cardiff University

Cyprian Katongo, University of Zambia

Aidan Keith, Centre for Ecology & Hydrology

Pepijn Kooij, Royal Botanic Gardens, Kew

Tonya Lander, University of Oxford

Ane T. Laugen, Novia University of Applied Sciences

Lori Lawson Handley, University of Hull

Rob Lewis, Aarhus University

Jackie Lighten, University of East Anglia

Etienne Low-Decarie, University of Essex

Lucy Lush, Swansea University

Mark Mainwaring, Lancaster University

Toby Marthews, Centre for Ecology and Hydrology

Philip Martin, Centre for Ecology and Hydrology

Eduardo Martins, University of Waterloo

Luis Matías, Spanish Research Council CSIC

Iain Matthews, University of St Andrews

Jennie McLaren, University of Texas at El Paso

Verónica Méndezm, University of East Anglia

Myles Menz, University of Bern

Jonathan Millett, Loughborough University

Keely Mills, British Geological Survey

Robert Mills, Lancaster University

Daniel Montoya, CNRS

Encarni Montoya, Institute of Earth Sciences Jaume Almera (CSIC)

Catriona Morrison, University of East Anglia

Hannah Mossman, Manchester Metropolitan University

Nibedita Mukherjee, University of Cambridge

Hannah Mumby, University of Cambridge

Ana Nuno, University of Exeter

Bethan O'Leary, University of York

Jeff Ollerton, University of Northampton

Germán Orizaola, Uppsala University

Daniel Osborn, University College London

Anne Oxbrough, Edge Hill University

Jordi Pagès Fauria, Bangor University

C. E. Timothy Paine, University of Stirling

Sinu Palatty Alleesh, Central University of Kerala

Maria Pappas Democritus, University of Thrace

Sarah Papworth, Royal Holloway University of London

Alyson Pavitt, UNEP-WCMC

Julie Peacock, University of Leeds

Elisa Pellegrino, Scuola Superiore Sant'Anna

Humberto Perotto, Caesar Kleber Wildlife Research Institute - Texas A&M University

Oliver Pescott, Centre for Ecology & Hydrology

Marion Pfeifer, Newcastle University

Carolina Puerta Piñero, IFAPA- Institute of agrarian research and training of Andalusia

Simon Queenborough, Yale University

Amitava Rakshit, Banaras Hindu University

Ruth Reef, University of Cambridge

Elva Robinson, University of York

Bjorn Robroek, École Polytechnique Fédérale de Lausanne

Asier Rodríguez Larrinaga, eNeBaDa

Katherine Roucoux, University of St Andrews

Lucy Rowland, University of Exeter

Hannah Rowland, University of Cambridge

Niki Rust, San Diego Zoo Global

Nabeil Salama, Marine Scotland Science

Frederik Saltre, University of Adelaide

Chloe Sato, The Australian National University

Emma Speed, Lancaster University

Harald Schneider, Sun Yat-Sen University

Christian Schoeb, University of Zurich

Kate Searle, Centre for Ecology & Hydrology

Marina Semchenko, University of Manchester

Elwyn Sharps, RSPB

Lorna Shaw, Essex Wildlife Trust

Marta Filipa Simoes, Edge Hill University

Judy Simon, University of Konstanz

Stefanos Siozios, University of Liverpool

Tom Sismur, University of Reading

Dan Smale, Marine Biological Association

Graham Smith, Animal and Plant Health Agency

David Soto, Environment Canada

Lewis Spurgin, University of East Anglia

Mark Steer, University of the West of England

James Stockdale, University of York

Daniel Stouffer, University of Canterbury

Jack Thomson, University of Liverpool

Barbara Tigar, Liverpool Hope University

Jose M. Torres Ruiz, INRA / Université Bordeaux

John Turner, Forsci Pty Ltd

Tobias Uller, Lund University

Toos van Noordwijk, Wiltshire Wildlife Trust

Michiel Veldhuis, University of Groningen

Sibelle Vilaca, Leibniz Institute for Zoo and Wildlife Research

Julia Vilstrup Mouatt, US Geological Survey

James Waggitt, Bangor University

Elizabeth Wandrag, University of Canberra

Philip Warren, University of Sheffield

Phillip Watts, University of Oulu

Paul Webala, Maasai Mara University

Ben Webster, University of Sheffield

Renate Wesselingh, UCLouvain

Duncan Westbury, University of Worcester

Rachel White, University of Brighton

Christopher Williams, Liverpool John Moores University

Robert Wilson, University of Exeter

Lucy Woodall, Natural History Museum

Emily Woollen, University of Edinburgh

Markus Zoetl, University of Cambridge

Sharon Zytynska, Technische Universität München
