

Policy Networking Event

Monday 12 December, starting at 19:00

Meet in the registration area at 19:00, before heading to Novotel Liverpool Centre Hotel bar

Want to get more involved in BES's policy work? Join the BES Policy team and BES policy networks (including the Policy Alumni, Scottish Policy Group and Wales Policy Group) to discuss some of our upcoming projects over drinks and nibbles and to see where you can get involved. In an uncertain period for science and environmental policymaking, we want to ensure evidence and science is communicated to and heard by policymakers. Find out how we can support you to engage with policymakers, get involved with projects including developing our Policy Guides, or join networks such as the Scottish Policy Group, and share your ideas.

Anyone with an interest in policy is welcome to join us, no matter how experienced or inexperienced you might be. Come along to network, have a drink and discover the avenues for you to engage with our policy work.
